

As a neurodivergent family, we understand the importance of having resources that fit various needs and abilities. We know the importance of finding unique and engaging ways to teach and learn that are not “cookie cutter” methods of education.

At Backyard Academy, while we hope to make a difference with all children, our overall goal is to create resources that excite or interest students who might otherwise have difficulty engaging and learning in a ‘typical’ fashion. We also strive to create secular educational resources to serve homeschooling families, especially those teaching family style with multiple ages, abilities and needs. We know the struggle!

We hope that this resource is helpful for you and your student(s). Feel free to send us a message with any comments, questions or concerns. A review would also be most appreciated.
Thanks for your purchase!

Terms of Use

Thank you for purchasing a resource created by Backyard Academy.

You Can....

- **Use resources for your own personal use.**
 - **This includes: in the classroom, with students, with homeschool co-ops, at home.**
- **Review resources for the purpose of recommendation, as long as you provide a link directly to the resource to be directly purchased from Backyard Academy.**

You Can't...

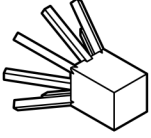

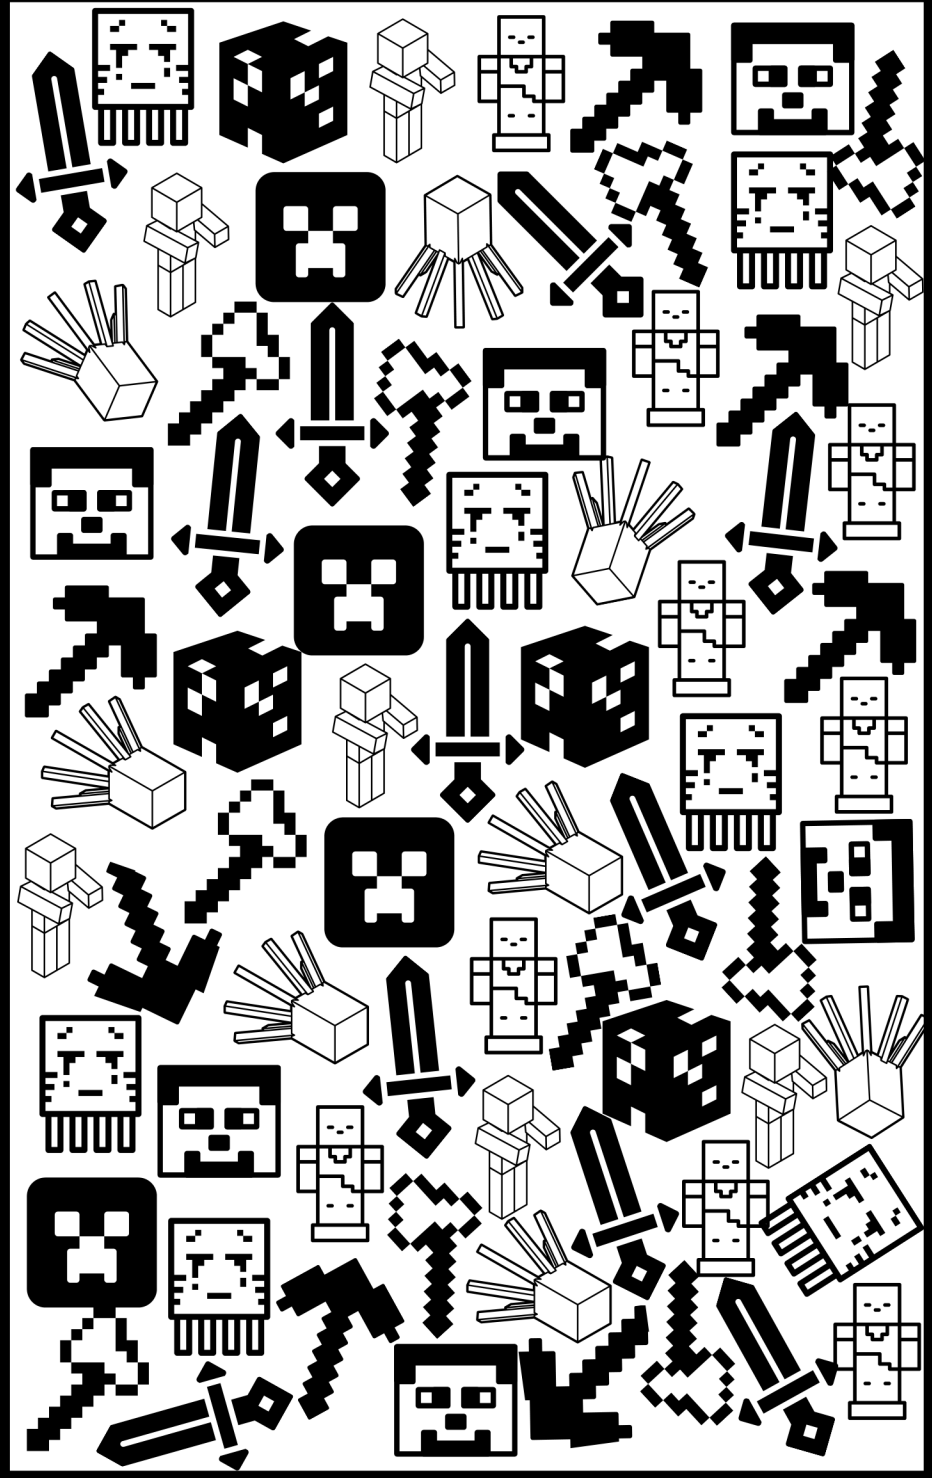

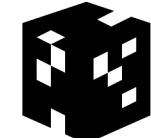

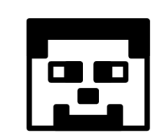

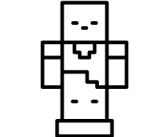

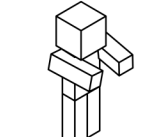

- **Give resources to others**
- **Copy resources for others**
- **Post resources (or any portion or modification) on the internet or website without first receiving a written consent from Backyard Academy**
- **Copy or modify any part of this document or offer any part of this document to others for free or for sale.**

Name _____

SEEK, FIND, COLOR & COUNT: MINECRAFT MOBS AND MORE

There are ten Minecraft icons in this picture. Count and color each icon as you find it. Then write the number of icons you find in the box across from the picture.
